Investment Objectives and Policy

The Company's investment objective is to obtain income returns and a capital return for its shareholders by acquiring, leasing and then selling aircraft.

In the pursuit of its investment objective the Company has used the net proceeds of placings and other equity capital raisings, together with debt facilities (or instruments), to acquire four Airbus A380 aircraft which have each been leased on twelve year terms to Emirates Airline, the national carrier owned by the Investment Corporation of Dubai based in Dubai, United Arab Emirates.

The Company aims to provide shareholders with an attractive total return comprising income from distributions through the period of the Company's ownership of the Assets and capital upon the sale of the Assets.
